

to, again, give this some serious consideration.

PRESIDENT ROBAK: Thank you, Senator Bromm. Senator Chambers.

SENATOR CHAMBERS: Madam President and members of the Legislature, I'm not going to get into the debate on LB 1050, but I will not vote to call the question, I will not vote to suspend the rules to cut off debate, I will not vote for cloture. Although I am in favor of 1050, I will not vote to suspend the rules.

PRESIDENT ROBAK: Thank you, Senator Chambers. Any further discussion on the motion to suspend the rules? Seeing none, Senator Bohlke, to close.

SENATOR BOHLKE: Madam President and members, once again, I believe that it was clear between, I thought, Senator Bromm, Senator Abboud, and I. Senator Abboud did have the floor time that I think that we talked about that should be given to him. And it's...we've been on the bill a long time. We've certainly had a great deal of floor time leading up to right now. We're now at 11:15 in the morning. We've talked about the issues. Senator Bromm's amendment behind is one we have already voted on, it's the same amendment. And as I said, I think that we are operating within the agreement that I understood and Senator Bromm understood, and therefore I ask us to go ahead and proceed with the vote to suspend the rules.

PRESIDENT ROBAK: Thank you, Senator Bohlke. The question before the body is the motion to suspend the rules. All those in favor vote aye; all those opposed vote nay. Have you all voted? Senator Bohlke.

SENATOR BOHLKE: Yes, Madam President, I would ask us to check in, and I'll take call-in votes.

PRESIDENT ROBAK: Would all the senators please check in. Senator Avery, Senator Coordsen, Senator Schrock, Senator Fisher, Senator Wesely, and Senator Witek. The question before you is the motion to suspend the rules. We are accepting call-in votes.

CLERK: Senator Engel and Senator Hillman voting yes.
